

We want you to **HELP US KEEP BUNDORAN TIDY!**

We have recently entered the national tidy towns competition for the first time in 3 years. While we know there's a lot of work still to be done, we are very proud of the effort to date. Our adjudication will give us a benchmark from which to work. We have traditionally been adjudicated in June however the adjudication period is June, July and August. We would ask, whether you are a resident or a business to make the extra effort over the coming months to keep your house or business looking clean and tidy!
